Our recruitment for the 2024/2025 TM PhD Programme has started

IMPORTANT, the application process takes place in two stages:

Step 1 - pre-registration - as a first step, we ask all applicants to fill in the pre-registration form below. The purpose of pre-registration is to contact the student and the subject leader in good time. The choice of topic does not have to be final.

Hungary/ EU - https://tm-centre.org/hu/form/phd-program-application?source_entity_type=node&source_entity_id=145#no-back

non-EU - https://tm-centre.org/hu/form/phd-program-application?source_entity_type=node&source_entity_id=147#no-back

Step 2 - final application - deadline: end of May. Candidates are kindly requested not to submit their final application until the pre-application has been completed.
