

CENTRE FOR TRANSLATIONAL MEDICINE
TDK RESEARCH OPPORTUNITIES 2026/27

FROM CURIOSITY TO CAREER

Join an ongoing research project as a TDK student and gain hands-on experience in clinical and translational research.

WHY JOIN?

RESEARCH EXPERIENCE

Work on real clinical and translational research projects.

SCIENTIFIC TEAMWORK

Collaborate with researchers, PhD students and project teams.

PUBLICATION & FUTURE

Expert guidance on planning, compliance, and effective employee management.

WHO CAN APPLY?

Students from all six faculties, with particular focus on:

- ✓ Medicine (ÁOK) 4th-6th year
- ✓ Dentistry (FOK) 3rd-5th year
- ✓ Pharmaceutical sciences (GYTK) 3rd-5th year
- ✓ Other faculties final three years of study
- ✓ MSc students all years

No previous research experience is required.

CHOOSE YOUR FIELD OF INTEREST

Tell us your 1-3 preferred research areas. We will use them to identify relevant opportunities.

Hungarian, English and German programmes are welcome.

APPLICATION DEADLINE
SEPTEMBER 20, 2026
