## DECREE

The non-intrusive clinical research project titled as “**Personalized health education against COVID-19 in Hungary: An adaptive randomized control trial for the best prevention**” has been submitted for ethical review to the Scientific and Research Ethics Committee of the Medical Research Council by Dr Péter Hegyi (12 Szigeti Street, Pécs 7624), representing the University of Pécs Medical School, Institute for Translational Medicine.

**I am pleased to inform you that the Scientific and Research Ethics Committee of the Medical Research Council has granted ethical approval of this research project.**

19<sup>th</sup> March 2020, Budapest

This document is the official translation of the Hungarian ethical approval given by the Medical Research Council Scientific and Research Ethics Committee, translated by the University of Pécs, Institute for Translational Medicine.

  
**Prof. Dr. Péter Hegyi**  
Head of Institute
