DECREE

Dr. Patrícia Sarlós (13 Ifjúság Street, Pécs 7624) representing the University of Pécs Clinical Center First Department of Medicine (13 Ifjúság Street, Pécs 7624) has submitted the non-intrusive clinical research project titled as “Transitional care for adolescents with inflammatory bowel disease - multicenter, prospective, randomized, controlled clinical trial” for ethical review to the Scientific and Research Ethics Committee of the Medical Research Council.

I am pleased to inform you that the Scientific and Research Ethics Committee of the Medical Research Council **has granted ethical approval** of this research project.

19 December 2019, Budapest

This document is the official translation of the Hungarian ethical approval given by the Medical Research Council Scientific and Research Ethics Committee, translated by the University of Pécs, Institute for Translational Medicine.

Prof. Dr. Péter Hegyi
Head of Institute
